

3D-ify Familiar Content

1. Find Standard 8.3.3 in the cross-walk document. Compare the “old standards” to the SEEd Standards.
2. Read the Evidence Statement for 8.3.3. Identify what in the carbon cycle learning objectives are familiar, and what are new:

Familiar	New

3. Use the information above to conceive of a storyline using the “Build a Storyline” worksheet.
4. Use the “Storyline Overview” template to capture your storyline plan.
