

# BUILDING A COMMUNITY OF WOMEN IN STEM

A space where women and femme-identifying undergraduate and graduate students in Science, Technology, Engineering and Mathematics fields can connect to process their experiences as women in STEM, decrease stress, and build resilience for academic, career, and personal growth. Meets the first Monday of each month. First meeting: **Monday, February 3rd from 4-5 p.m.**, location: **Merrill Engineering Building Rm 3225**. Please contact Kamala Ganesh at [KGanesh@sa.utah.edu](mailto:KGanesh@sa.utah.edu) with interest or questions!
