

## REFUGES Summer Program 2020

### Parent Fact Sheet

REFUGES (Refugees Exploring the Foundation of Undergraduate Education in Science) Afterschool Program, operated by the University of Utah’s Center for Science and Mathematics Education with support from the Utah State Board of Education, Department of Workforce Services and the Sudanese Community in Utah (SCUT), is offered for all students in grades 7-12. The summer program operates from July 1 to August 20, 2020 and takes place Monday – Wednesday, 11:00am-3:30pm, and on Thursdays from 11:00am-7:00pm. **Programming will be offered online in an interactive portal using the University of Utah CANVAS system, and Students need to have access to a computer and internet access to participate.**

The University of Utah is committed to protecting minors participating in University programs. If you, as a parent/guardian, have concerns about any misconduct in connection with the above-named Event/Program, please contact the University’s Office of Equal Opportunity and Affirmative Action at (801) 581-8365.

The summer program will take place online and will include the following activities:

1. **Prevention Programming.** Planned Parenthood Association of Utah Community Educators (PPAU) will provide an evidence-based curriculum called “Get Real”, an age-appropriate sexuality education program that is shown to delay sexual activity among middle and high school students. Parents may opt-out of having their child participate in this program.
2. **ACT Preparatory Course (Grade 10 & Up):** This ACT prep course will be offered remotely by University of Utah’s Youth Education. This course is designed to prepare students for the ACT Reasoning Test required for undergraduate admission to many U.S. universities. It will include 18 hours of instruction and testing, including a diagnostic test to assess pre-course performance levels. Coaching on the writing section will also be included. Students will have access to course content and class lectures through a web learning system. Additionally, REFUGES will provide the following materials to participants: The Official ACT Prep Guide 2019-2020 (Book + 5 Practice Tests + Bonus Online Content).
3. **FAFSA, Scholarship, and College Applications - College and Career Readiness:** A college advisor will develop and run workshops to train high school students and their parents on the college preparation/application process. Students will receive assistance with completing FAFSA, college applications, and scholarship applications.
4. **Math Programming:** Math instruction will be led by REFUGES Math tutors to help students with basic math concepts. We will also use **ALEKS**, a web-based learning system that uses adaptive questioning to determine what a student knows and does not know. It then instructs students on the topics they are most ready to learn. This type of work will help solidify concepts from class and provide students with opportunities to refine their skills and develop new ones.

#### \*\*\*Schedule for Summer 2020\*\*\*

Mondays	Tuesdays	Wednesdays	Thursdays
11am - 12pm Math programming	11am- 12pm Math programming	11am- 12pm Math programming	11am - 12pm Math programming

## Prevention Education

REFUGES offers programming related to healthy relationships, pregnancy prevention, and STI prevention. Please fill out the attached Get Real Instruction permission forms and indicate whether you **do** or **do not** consent to your student's participation in these programs.

Dear parent/guardian,

Your child is or will be participating in the *Get Real* sex education curriculum. *Get Real: Comprehensive Sex Education That Works* is a unique curriculum designed for middle school and high school students and their families. The curriculum emphasizes social and emotional learning skills as a key component of healthy relationships and responsible decision making. Information provided is medically accurate, age-appropriate and is shown to:

- Delay sex among middle school and high school students who received *Get Real*.
- Empower parents to be the primary sexuality educators of their children and help their kids delay sex.
- Reinforce family communication and improve communication skills for healthy relationships.

A main tenant of the *Get Real* curriculum is supporting parents and other caring adults as the primary sexuality educator of their child. As a part of the curriculum, you and your child will have the opportunity to complete family activities after each lesson. We hope that you will take advantage of this opportunity to play a role in your child's sexuality education.

I, \_\_\_\_\_ (guardian name), give permission to \_\_\_\_\_ (REFUGES Program) to teach *Get Real: Comprehensive Sex Education That Works* to my child, \_\_\_\_\_ (child's full name).

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Sincerely,

REFUGES Program
